WINE LIST

WELCOME

Our list is lovingly put together after considered whittling down of numerous samples tasted and slurped from around the world. We seek wine of distinct flavour, of its place and made with respect for the vine as well as the environment. We want to be excited by what we taste, discover nuances and subtleties rather than be whacked around the chops by fruit bombs or oak. We hope you get as much enjoyment from these wines as we do.

Our wine by the glass and carafe come by either 125ml or 375ml carafe so that we can offer more of the list by the glass, thus adding bottles costing £30 to the wines by the glass and carafe. This might also give you an opportunity to experiment through the list as we will change the 'by the glass' section every month. The carafe of 375ml is an ideal size for just two people but also is a good way of having a white and a red with your meal if there are just two of you.

All our wines are available to drink in the comfort of your own home, please ask the staff for an Off Sales Price List. Also, keep an eye on our website and social media for dates of our very popular Wine & Food Tasting evenings that run bi-monthly from September to May and are hosted by The Tate and Telegraph Wine Man, Hamish Anderson.

Matt and Inga will open a bottle of wine each week for you to try something not normally available by the glass, to try something new, different, exciting!

IN THIS LIST

SPARKLING WINE, SHERRY, ROSÉ

.... ideal start with, awaken your palate but equally good with food

WHITE & RED WINE BY THE BOTTLE, GLASS OR CARAFE

.... delivering more bang for your buck the further up the list you go.

WHITE

- crisp, dry, stone, mineral
- aromatic but fresh, uplifting
- structured, rounded, heavenly

RED

- dry, soft red fruits, a bit of grip
- touch of earth, gnarly vine, rounded
- bottle age, chewy, broody but not always heavy

WINE FOR A DESERT ISLAND

.... nurtured, stared at longingly, now yours! A small collection of wine bought randomly by the case, left in the cellar for a while then put on this list with a £20 cash margin! Most places might triple the cost then add VAT! But we want you to drink it. Best decanted and served with our beautiful Zalto Denk'Art stemware.

DESERT ISLAND WHITE WINE

Here are a few wines that I have acquired over time from bin end sales and rare releases from various suppliers. They are wines I would gladly sell my wife or mother for! We simply added a £20 cash margin (many establishments would triple the cost and then add VAT), as I would like you to drink them rather than stare at them longingly. All benefit from being decanted, served with our Zalto Denk-Art stemware.
